

# PUTTING GREENS

**G**oat Turf is a proud distributor and installer of SYNlawn® Golf, the best artificial putting green product anywhere. Our artificial putting green turf is developed to perform as close to professional grade natural golf grass for true ball-roll and realistic performance.

Our installers have the technology, training, and installation techniques to create the highest quality, most realistic artificial golf turf possible. And there are solutions for any budget; almost any flat surface can quickly transform into the perfect putting green.

## OUR MISSION

*Our core belief is that every space, every day, has the potential to improve your quality of life. In short, our mission is to help our customers do more of what they want to do, when they want to do it, in the spaces that they love the most.*
